

# Application for participation in the project „One Trip One Pick“

## The rules

In the case of longer (approx. 20 minutes or more) trips with passengers, the participants undertake to collect at least 1 piece of (plastic) waste per trip, as far as possible with reasonable effort.

The rubbish to be collected should preferably be rubbish which, if left in the location where it is found, is likely to damage animals, plants or people directly or indirectly. The participants undertake to dispose of the collected and their own waste properly and in accordance with local regulations.

Participants may and should refer to their participation on their homepage on vehicles, print media, etc. by attaching the ICTP seal.

Participation is free of charge in the first year (365 days from joining) \*, from the 2nd year the Fees \$79 per year. (\* possibly plus 183 days for promotions)

## **There is no automatic renewal and no automatic payment obligation.**

Acting Green E.V. will provide the participant with advertising material in digital form (ICTP seal!) and to advertise (link) the website (or offers) of the participant including their logo on Acting-Green.org. Link changes can be made a maximum of 2x per billing period free of charge, more for a fee (28 USD per change).

Acting Green E.V. is entitled to terminate participation in the event of persistent violations of the collection bid. Participants can cancel at any time without notice. Paid contributions will be refunded pro rata at the end of the contract.

After completion of the participation, the ICTP seal must be removed immediately, at the latest on the 7th working day after completion, from all websites, print media, etc. and vehicles of the withdrawing participant.
